

YOUR PROTECTION BY EXCELLENCE

RIPACK 2500 M THE LIGHT AND COMPACT PACKING STATION

By choosing the Ripack 2500 M shrink kit, you will thus be choosing the most attractive solution for regular shrinkage needs and a mobile packing station.

Combining the light and compact 2500 shrink gun with the 936 gas bottle trolley will ensure maximum safety and allow you to reduce the effort to transport your bottle. This kit will be essential if you have several work areas.
