

YOUR PROTECTION  
BY EXCELLENCE

RIPACK 3000 + PREMIUM M  
YOUR PREMIUM KIT IN A MOBILE SHRINK STATION

Discover the R3000+ PREMIUM M, the Ripack shrink kit, which will be your best ally for a mobile shrink station.

Choose the power of the Ripack 3000 shrink gun, combined with the ergonomics of the S33 extension and our new 936+ trolley.

With this cart, take advantage of a fully mobile and secure shrink station for your material. Its design allows a great support and the mast assists you in the handling and protection of the hose. The new cart was thought to be a real workstation. It is designed to be a real workstation, which is why it is equipped with a tool bag, allowing you to carry your tools easily. The 936+ cart is also equipped with a shelf, as well as a magnetic device.
